

allegations with respect to the mowers identified in this agreement, nor does OMC admit to any liability in this matter. Further, OMC denies the allegations that the Lawn-Boy "L" series lawn mowers identified in paragraph 9 of this agreement, the "M" series lawn mowers identified in paragraph 13, and the "Model 8157" series lawn mowers identified in paragraph 16 contained defects which created or could have created a substantial product hazard within the meaning of section 15(a) of the CPSA, 15 U.S.C. 2064(a).

Accordingly, OMC contends that no obligation to report to the Commission under section 15(b) existed with respect to any of these lawn mowers.

20. OMC further contends that the Commission's acceptance of a \$170,000 civil penalty from the Toro Company for the failure to report to the Commission information relating to the gas tank failures identified in paragraphs 9, 13, and 16 of this Settlement Agreement and Order constitutes an election of remedies by the Commission which extinguishes any alleged liability on the part of OMC.

21. OMC further asserts that it received no reports of injuries from the use of any of the products enumerated in this agreement prior to and after the sale of Lawn-Boy to Toro. OMC makes no admission whatsoever of any fault, liability, or statutory violation in the event any person should claim injuries resulting from the use of these products.

VI. Agreement of the Parties

22. The parties enter this agreement solely for the purposes of settlement. OMC and the staff agree that the Commission has jurisdiction in this matter for purposes of entry and enforcement of this Settlement Agreement and Order.

23. OMC shall pay the Commission a civil penalty in the amount of seventy-five thousand dollars (\$75,000) payable within twenty (20) days after service of the Final Order. Payment of the full amount of the penalty shall settle fully the staff's allegations set forth in paragraphs 9 through 18 above. OMC shall have no further liability to the Commission for any corrective action concerning the leaking gas tanks described in paragraphs 9, 13, and 16 of this complaint.

24. For the purposes of settlement, OMC waives any rights it may have in this matter under section 6(b)(1) through (5) of the CPSA, 15 U.S.C. 2055(a)(1)–(5).

25. Upon provisional acceptance of this Settlement Agreement and Order, the agreement and order shall be placed on the public record and shall be

published in the **Federal Register** in accordance with the procedure set forth in 16 CFR 1118.20(e). If, within 15 days of publication, the Commission has not received any written request not to accept the Settlement Agreement and Order, the Settlement Agreement and Order will be deemed to be finally accepted on the 16th day after the date it is published in the **Federal Register** (16 CFR 1118.20(f)). Upon final acceptance, the Commission shall issue and serve upon OMC the attached Order incorporated herein by reference.

26. Upon final acceptance of this Settlement Agreement and Order by the Commission, OMC knowingly, voluntarily, and completely waives any rights it might have: (1) To an administrative or judicial hearing with respect to the Commission's claim for a civil penalty, (2) to judicial review or other challenge to or contest of the validity of the Commission's action with regard to its claim for a civil penalty, (3) to a determination by the Commission as to whether a violation of section 15(b) of the CPSA, 15 U.S.C. 2064(b), has occurred, and (4) to a statement of findings of fact and conclusions of law with regard to the Commission's claim for a civil penalty.

27. The parties further agree that the Commission shall issue the incorporated Order under the CPSA, 15 U.S.C. 2051 *et seq.*, and that a violation of the Order will subject OMC to appropriate legal action.

28. No agreement, understanding, representation, or interpretation not contained in this Settlement Agreement may be used to vary or contradict its terms.
